SEO For YouTube Videos - How To Rank In Search Engines When Using Video On Your Blog

<http://GideonShalwick.com>

Ever wonder how search engines deal with videos on your blog?

While technology is getting more and more advanced by the day, you still need to pull a few strings to make sure that your blog (and not just your video channel) ranks inside the search engines for your videos.

So, inside today's video, I offer a really easy solution.

Please join the discussion by leaving a comment below... I'd love to hear from you!

Gideon Shalwick
