Anyone Know a Quality Search Engine Optimization Company in Los Angeles?

I'm looking for a great search engine optimization company location in or around Los Angeles. I'm trying to design a website and get amazing traffic using a skilled seo company. My budget is around \$2500/mo. Any help would be great!

I know of an amazing search engine optimization company located in Los Angeles California. It's called KryptonWave or Kwave. KryptonWave can guarantee top ranking results for Google, Yahoo and MSN The manage website design companies seo marketing from around the US. Visit www.kryptonwave.com to check them out.
