# **What are the best social bookmarking sites for search engine optimization?**

I'm trying to promote my website by social bookmarking the content on my site? Which social bookmarking site should I spend my time on? And does anyone have any tips on the best practices or strategies for this type of search engine optimization?

List of best book marking sites is here

><http://webisgood.blogspot.com/2009/04/best-321-social-bookmarking-sites-list.html>

This list is enough to drive sufficient traffic .

Tips to improve traffic

- 1) remember content is king
- 2) Stick to quality guidelines from search engines ,refere googles webmaster guideline
- 3) Make unique page content,title,description etc ,don't use same title or description for pages

& try to compare top ranking websites
